

Infrared Touchless Switch

Infrared Touchless Switch
RJS-TLSW19

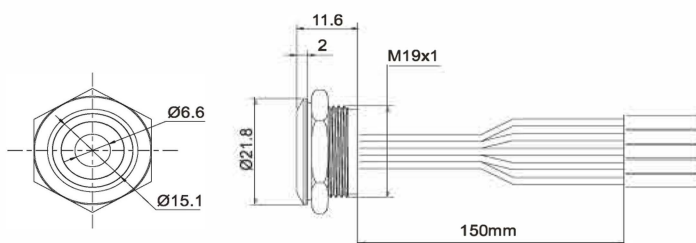

How to Order

Corresponding number	RJS-TLSW19	
1	Install size	19mm
2	Action style	Momentary Latching
3	Shape of top	Ring Illumination
4	Contact type	1NO
5	Touch switch	TS
6	Color	R Red B Blue Y Yellow G Green W White
7	Voltage	5VDC 12VDC 24VDC 36VDC
8	Material	Stainless steel

Technical Parameter

Rated working voltage	5V~36VDC
Output working current	150mA Max
Output method	PNP/NPN
Output type	
Protection level	IEC IP67
Operating temperature	-25℃~+55℃ (No icing)
Storage temperature	-40℃~+70℃ (No icing)
Operating temperature	40~85%RH (No condensation)
Material	Base: black alumina; Light-emitting part: polycarbonate; Installation nut: PA
