

## ■ Keylock Switch (DPDT)

- 16mm diameter across the thread, Keylock switch.
- Height when assembled is 31.75mm.
- Keylock switch materials consist of brass, steel and alloy materials.

## Specifications:

<b>Rating:</b>	4A 125VAC/2A 250VAC
<b>Contact resistance:</b>	$\approx 100\text{m}\Omega$
<b>Mechanical Life:</b>	5,000 times
<b>Withstand Voltage:</b>	AC500V(50Hz) 1min 2mA
<b>Insulation resistance:</b>	$\approx 500\text{m}\Omega$ (500VAC)
<b>Key position:</b>	key removable both position or not
